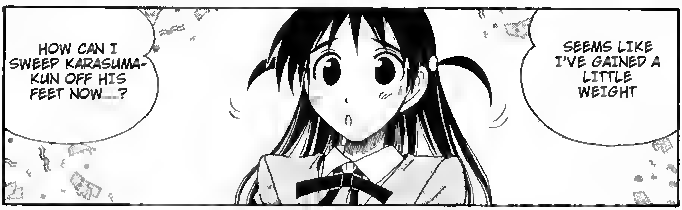
HMM... THIS MUST BE BECAUSE OF BASKETBALL



HOW CAN I SWEEP KARASUMA-KUN OFF HIS FEET NOW...?
SEEMS LIKE I'VE GAINED A LITTLE WEIGHT

EVERYONE!! IF I SAY I WANT TO EAT SWEETS, DON'T HOLD BACK AND HIT ME!!
PLEASE!!
どんっ
OH? I DIDN'T KNOW TSUKAMOTO HAD THAT KIND OF DETERMINATION...
BUT, WELL IS THAT REASON TOO GAINED WEIGHT?
ALRIGHT!! FROM NOW ON, I DECLARE FROM THE HEART THAT I'M ON A STRICT DIET!!

CAN YOU REALLY DO WHAT YOU'RE SAYING?
HOW MANY TIMES HAS IT BEEN?
ぐいっ
ALRIGHT!! IT'S A PROMISE OF A WOMAN'S INDULGENCE!!

SIGH~~~
I WANT SOME SWEETS~~~~~~
MIKO-CHAN, YOU'RE SO MEAN...!!
SO VIOLENT!!
I'M ONLY DOING IT BECAUSE I'M YOUR FRIEND...
ぼか!!
OW!!
BUT I DON'T REALLY THINK YOU CAN JUST CUT OFF SWEETS
WELL, THAT'S OBVIOUS
ESPECIALLY TENMA THERE'S NO HELPING HER
WHY AM I THE ONLY ONE TO SUFFER...?
MIKO-CHAN HAS SOME EXTRA BODY WEIGHT
ヒソ…!!

HOLD ON THERE, TSUKAMOTO-KUN
YOU ALWAYS EAT MORE THAN ME, MIKO-CHAN HOW MUCH DO YOU WEIGH?
WHA...? HEY, LISTEN!!
YOU AND I ARE DIFFERENT WHAT I HAVE IS MUSCLE!!
MUSCLE IS HEAVIER THAN FLAB. IF YOU WENT TO THE DOJO, THAT WOULD BE THE RESULT WHETHER YOU LIKE IT OR NOT
ALRIGHT!! LET'S COMPARE AND SEE WHO WEIGHS THE MOST!!
SHE'S NOT LISTENING
THEN FIRST UP ERI-CHAN, ABOUT HOW MUCH?
UM I'M...
WHY DO I HAVE TO
WHA~~~? NO WAY!!
NO FAIR!! AND YOU'RE ALSO 10 CM TALLER!!
I WORK HARD WHEN NO ONE SEES

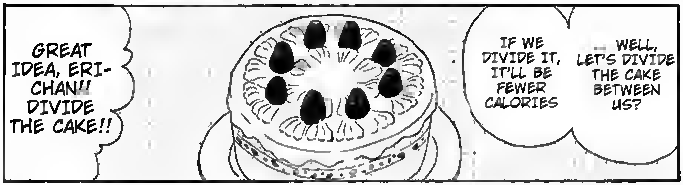
BUT TAKANO DEFINITELY NEVER GAINS WEIGHT
WHAT DO YOU USUALLY EAT?
WELL...
I USUALLY EAT A LOT OF SOYBEANS AND I ALSO EAT SEAWEED
TAKANO ALSO COOKS FOR HERSELF? I SHOULD CHANGE MY MENU TOO
ALSO, TENMA IF YOU WANT TO LOSE WEIGHT, YOU CAN'T THINK ABOUT FOOD
THE PATH TO BEAUTY IS DIFFICULT
WAH~~~!!
IT'S NOT THAT YOU HAVE TO DENY YOURSELF EVERYTHING BUT YOU CAN'T IGNORE COUNTING CALORIES
YOU NEED TO BALANCE YOUR MEALS WITH NATURAL FOODS LIKE AKIRA
AND I THINK IT'S IN YOUR GENES TOO
THERE'S A STUDY THAT FOUND THAT IF BOTH PARENTS ARE FAT, THEN THERE'S AN 80% CHANCE THAT THIER KIDS WILL BE OBESE

AH... MINE ARE A LITTLE OVER-WEIGHT
IT'S REALLY TROUBLING. I'VE BEEN WORRIED RECENTLY
BOTH MY PARENTS ARE THIN
WE HAVE A TEST. LET'S STUDY!!
WE DIDN'T COME HERE TO TALK ABOUT USELESS THINGS
YEAH YEAH!! THIS DISCUSSION'S OVER!!
YUM YUM
MY FAMILY'S, WELL ORDINARY I GUESS
AH!! THIS IS MY FAULT?!
MIKO-CHAN WHY DIDN'T YOU STOP ME?!
AH!!
HEY!! WHAT ARE YOU EATING FOR?!
WHY IS THERE A PARFAIT HERE?!
HEY HOW'S THE STUDYING?
WE'RE DOING IT
LOOK

REALLY... AT THIS RATE, I'M GOING TO HAVE TO TAKE MAKE UP CLASSES
SIGH~~~ ANOTHER TEST~~~
ISN'T THAT TOMBOYISH?
AKIRA IS PERFECT IN SCIENCE
AH... ACTUALLY, I ALSO WONDER ABOUT THAT
AKIRA-CHAN, WHY ARE YOU SO SMART?
WE'RE ALWAYS TOGETHER
JUST WHERE IN THE WOLRD WERE YOU RAISED?!
YES, LIKE I HAVE NATURAL INSTINCTS
YOU ALSO NEVER GET LOST, AKIRA-CHAN
SHE'S LIKE A WELL-OILED MACHINE
BUT YOU CAN COOK AND ALSO ACT LADY-LIKE
WHAT ARE YOU TALKING ABOUT?
AH... I KNEW IT. I'D BE HAPPY, IF IT WAS SCIENCE
HEY!! I'M GOOD AT SCIENCE TOO, RIGHT?
WHY AM I DOING HUMANITIES IN THE FIRST PLACE?

NO MATTER HOW MANY SHEETS I EAT, 0 × 0 IS CLOSE TO EATING NOTHING. THAT DOESN'T CHANGE.
FOR EXAMPLE, I CAN'T EAT THIS THIN CAKE AND I CAN'T CHANGE THAT FACT
REALLY!! I'M GOOD AT SCIENCE!!

YOU REALLY JUST WANNA EAT SWEETS, DON'T YOU?
THEREFORE, IF EAT A LOT OF CAKE, I WON'T GAIN WEIGHT



GREAT IDEA, ERI-CHAN!! DIVIDE THE CAKE!!
IF WE DIVIDE IT, IT'LL BE FEWER CALORIES
WELL, LET'S DIVIDE THE CAKE BETWEEN US?

BECAUSE YOU ALREADY ATE THE PARFAIT EARLIER, TENMA
WHA?!
BETWEEN ME, AKIRA AND MIKOTO
LET'S ACCURATELY DIVIDE IT INTO THREE PIECES

IT'S A NEGLIGIBLE PORTION
WAIT. THAT'S TRUE. WHAT DO WE DO?
IT'LL BE 0.33333... RIGHT? WHAT ABOUT THE LEFT-OVER?
HUH? CUTTING IT INTO THREE PARTS...

THIS IS DEFINITELY BECAUSE OF BASKETBALL

MY MUSCLES WON'T SETTLE DOWN, UNTIL I BEAT SOMEONE!!
MY LEFT ARM IS ALREADY EXPLODING A LITTLE!!

Heh heh heh well I have THAT today so I'll just have to wait
You should try stopping by his house at least once though right?
He won't answer his phone either
I don't really know
Yea, he won't be here for another week
Hmm? Karasuma-kun isn't here today?
Oh? Why?

Translated by Townsocks

What did she say?!
This is my chaaaaance!!
I won't let things between Tenma-chan and Karasuma go well!!!
Hey by the way!!
Um... Tsukamo
I'm definatly going to get you this time, Tenma-chan!!
The week I've been waiting for has come!!
Tougou-kun's box lunch is so amazing!
Nope, what's that?
Hey hey do you guys know about penne?
Huh? Box lunch?!
Could it be that Tenma is eating lunch with that guy?
Arabian ?
The Arabian Night is really tasty!!
It's pasta shaped like a pen!

Tenma... it's normal in Italy
Arabian night...
Eri-chan have you ever had penne?
Tougou -kun must be rich!!
Oh yea! About that...
Er.. no...
What about you Harima-kun?
Damnit!
Pasta?
Yakisoba is good isn't it?
Penne?
It's nothing compared to my "G" pen!!
Usually I'd wouldn't be worried but Tenma is feeling romantic right now!!
This is dangerous!!
B-but still...
This flow is bad!!
That bastard Tougou is scampering around!!

Again again!
You're wrong...
Is it about Tougou?
Is it about Karasuma?
Damnit they look like they're having fun... what are they talking about?!

Ohh! It's rare that I understand you Idio... I mean Megane!
We don't have any time to lose in this struggle!
Crisis: Tougou has taken Tsukamoto-kun to 2-D!!

Note: Megane means glasses

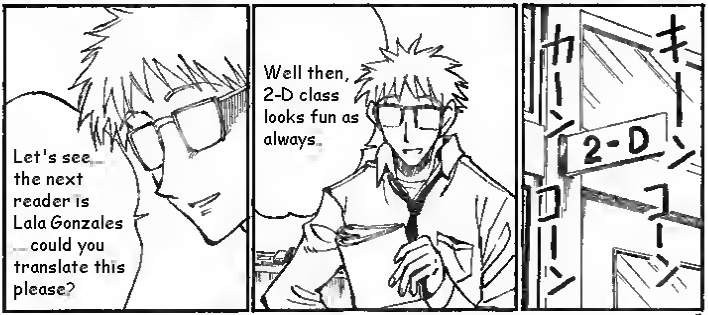
As of now, Tsukamoto has transfered to 2-D. confirmed

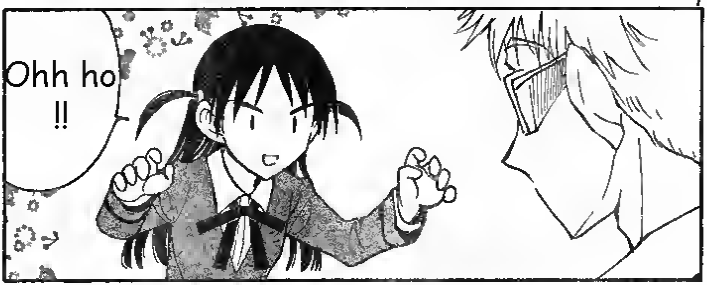
Hanai Haruki, got onboard too late for the basketball thing

What do you want Harima?
Using her personality
はっ
Can't you see?
I'm Lala...
.....
.....
why are you
I can't eat anymore...
ZZZ ZZZ ZZZ
You can't just fix it now...
Oh Harima-kuuuun! What is it?!

This one is just personality

You're the one being odd!!
Go back to your class!!
Hmm? You're being odd Harima-kuuun you bastard!!
Um... we've found you out Lala
むくっ
Oh! Ichijou has a gold medal!





キュッ

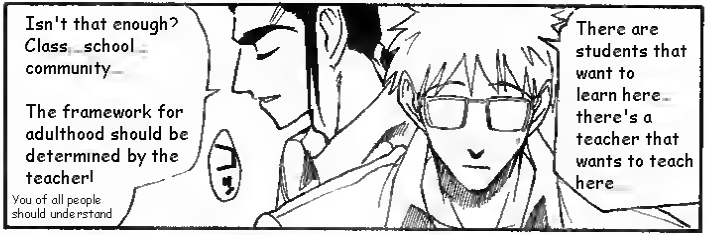
I am Lala-chan!
Tsukamoto what are you doing
.....

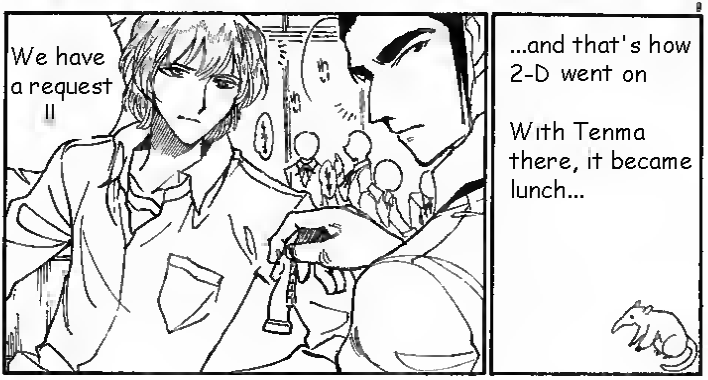
Wait Tani-sensei
...and why would Lala say -chan...?
Uh no go back to the class-room
ガヲ...

No that shouldn't be it
Was it money?
Honor?
Sensei, why is it that you became a teacher in the first place?

No that's not right



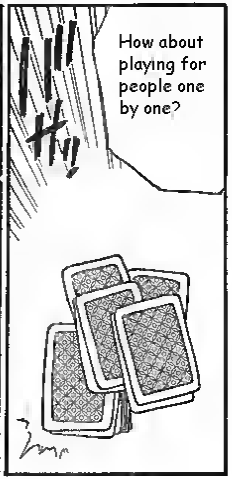
Isn't that enough? Class school community
The framework for adulthood should be determined by the teacher!
You of all people should understand
There are students that want to learn here there's a teacher that wants to teach here



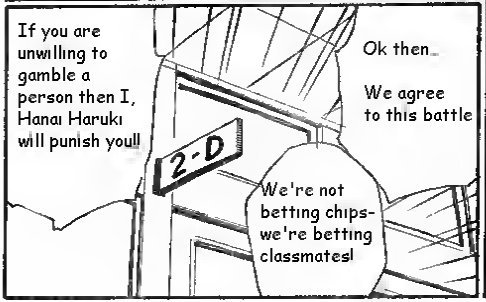
Give us back our class's Tsukamoto-kun

This isn't the right atmosphere for a negotiation but a full on fist fight would be troublesome
Hmph- looks like the hyenas have come to fight
She came here on her own free will

We understand
We have the same feeling to protect our class



How about playing for people one by one?



If you are unwilling to gamble a person then I, Hanai Haruki will punish you!!
Ok then
We agree to this battle
2-D
We're not betting chips- we're betting classmates!

Until they start winning they won't stop. That's a gamble
Dumbass!! You're not supposed to do that!!
and you call yourselves comrades
AHHH!! LOST!!
10 !!
This is what I got!
Ah...
Um...
Well...
What are you guys going to do now that you lost? We can't just let you go back now...
We'll double bet Suou and Takano-kun!!
Lets fight!
No! Until we get them both back, we will play some more!
Nice Megane, you got some guts
Oh! You mean Sawachika right?
It's a deal, now get out of here
H-hey! Are you sure?
We'll give you our blonde haired one!!
Any complaints?
11
We're still ok! The tide will turn our way now!
2-D
Cmon! One more battle!!

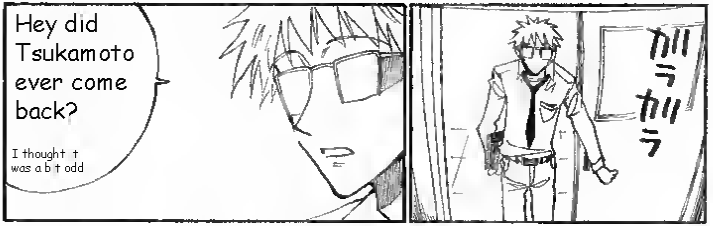
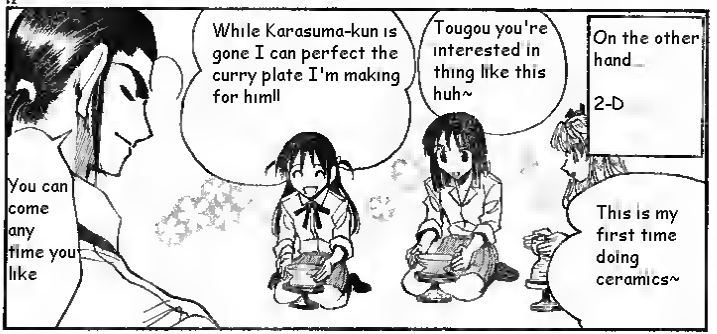
Now it's getting interesting





You can come any time you like
While Karasuma-kun is gone I can perfect the curry plate I'm making for him!!

Hey Miko-nee, is that guy your boyfriend?
Not bad!!
He's not - now mind your own business and eat
If you're looking for meat then I have it here Tsukamoto! I thought that you and I could I mean everyone could eat together
You you told me about it so suddenly
What meat do you want?
It's ok! You can still participate even if you didn't bring any food!

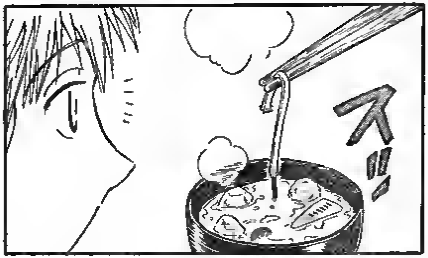
Why am I bringing myself down to this level...?
Miko-chan isn't here

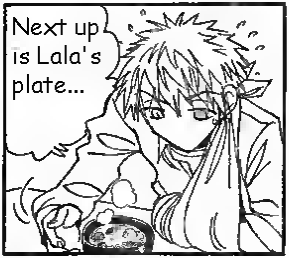
Suou Construction Company, Hanai Dojo, their first combined mixed pot meeting

Ichijou Karen, surprisingly leads the pot

Hmph, persistent guy huh... don't you think that was an accident?
...and the guy who broke my arm is also here...
Imadori-san if you get too angry while you're hurt...

ポチャ
Heh heh heh
I just thought of a way to get back at you!



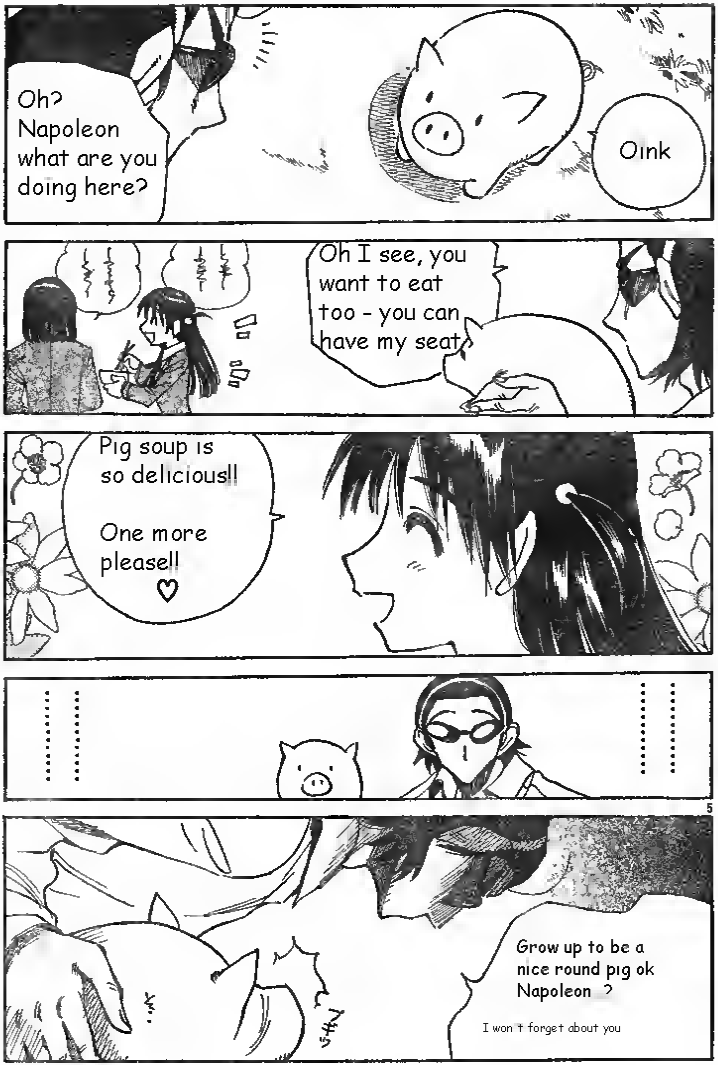


Next up is Lala's plate...

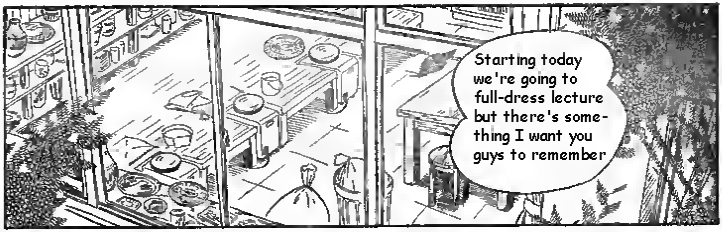
Sorry about your arm... here, eat
You can't use that arm right?

I couldn't run away~~
What's wrong? Was it that hot?

< "Give me a big one" >



Oh? Napoleon what are you doing here?
Oink
Oh I see, you want to eat too - you can have my seat
Pig soup is so delicious!!
One more please!!
Grow up to be a nice round pig ok Napoleon ?
I won't forget about you

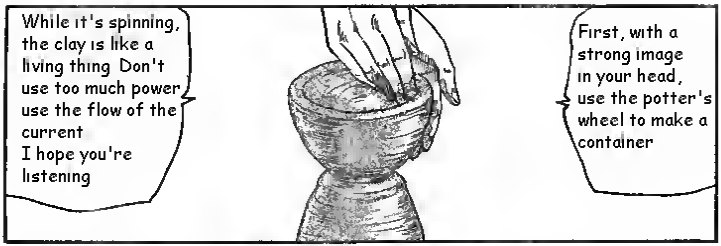


Starting today we're going to full-dress lecture but there's something I want you guys to remember

...and the clay that we use to make the ceramics is that which our forefathers stepped on - it's a part of history Don't forget that for one moment... and keep it close to your heart
The person doing ceramics inherits the soul of the Jomon period...

Gotcha
I see...I see...

Those aren't ancient tools
Uwaha!!
Let us go! You must aim for mastery of the ancient tools!
I'll do my best!
Especially you and your awkwardness, you need a lot of effort!



While it's spinning, the clay is like a living thing Don't use too much power use the flow of the current I hope you're listening
First, with a strong image in your head, use the potter's wheel to make a container

You can only cut once because the clay can't go back Don't lose yourself - do it right on one try!
Understanding your heart and the clay, make the shape of the container Shortly afterwards, cut it away with a string

Wow!!
It's beautiful !!
It should come out something like this
Now you guys try it

Ah- She evolved!
Thats the spirit!!
Reach for your goal Joumon-jin!
Right this way!
All right then!! I'll become the energy of the clay and make a curry plate!!

Round and round n circles~
Hm..... something like this?
Hm? That red clay lump looks like earthern-ware...
But I don't even know what Joumon earthenware looks like
Damnit that Senko guy, telling me to go get a Joumon thing and bring it back - the nerve of that guy!
カリ
Let's see... I'll just take this one and put this one in its place
It's just like the Joumon to make something like this
Woah! So beautiful!! It looks so battered and miserable that I can feel the pure thoughts that went into making it! There's no mistake!!
My...my container is evolving!!

Sense? Imagination? I don't know ...
Gr... what could I be missing...?
ぐちゃっ
I messed up again ...
Hmph!
You're really bad at this arent you
Eh? You're still going at it?
No! This is the real thing! There is a curry plate here!!
Huh?
You're not holding anything
Hmm? Eri-chan you can't see this?
she just broke down and is running away from it all again...

Her imagination exploded
Ehh?
Well then let's eat some curry from that plate right now
Fine! Eri-chan take a look at this!!
Grrr....
Well look at that! You couldn't do it!
Then I'll use the invisible spoon to
First I'll put the invisible curry
I...um... sorry about that Tenma...
You can stop now
MUNCH MUNCH MUNCH MUNCH

At that time, something came down

Ah... There's something I'm still missing... I can't do this anymore...
くしゃ...
No! I can't give up here!! I need to concentrate!! I have to feel not think!!
A voice?
Eh?
Thank you Karasuma-kun...
You can't do it well Tsukamoto? Then I'll help you...
Hey Karasuma-kun... what do you think I'm missing?
But...but... Ok I understand!! I'll try to make it now!!
That's what I was missing?!
Eh...?

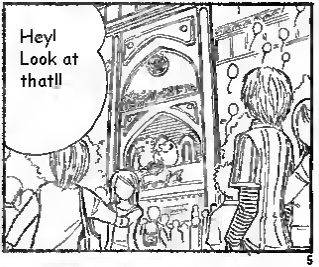
Geez, why did I have to go too?

Welcome to the Curry Stadium
It's amazing!!
I'm so excited!



Hey! Look at that!!

Wow!! There's so many curry stores here!!
Where should we start!?

Eh? Chocolate?!
What do you mean? Curry used to be made with chocolate you know
It looks like they're advertising it

Can this really be eaten?!
Woah!! It really is chocolate!!
Looks like the chocolate pulls out the spicyness
Delicious !!
Heh heh don't go crazy while I'm here

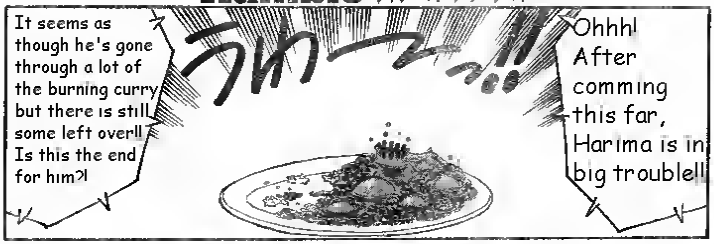
Harima-kun don't push yourself too much
Ohhh! Participant Harima has picked up the pace!!
Here I go!!

What a guy... he's moving his spoon on instinct!!
No...! His energy is leaving him!!
Maybe it's because his glasses are fogged up and he can't see?
Hey...! That guy is going on without curry!!

Head towards the light...

He has found death



It seems as though he's gone through a lot of the burning curry but there is still some left over!! Is this the end for him?!

Sorry, I'm supposed to help out the dojo on that day...

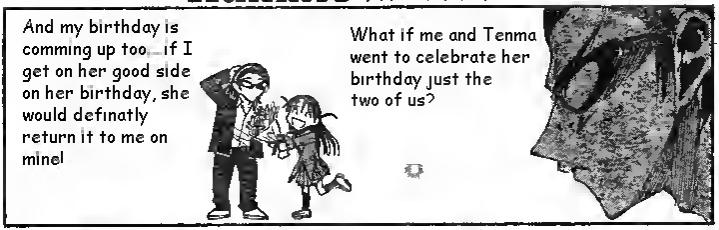
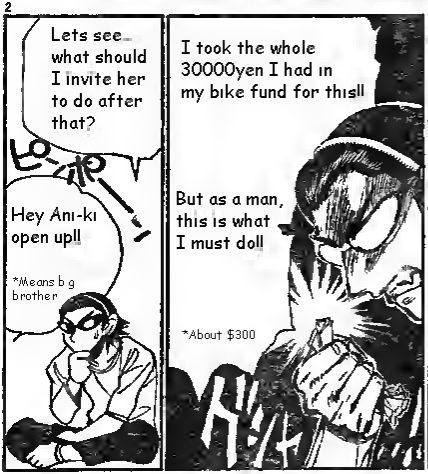
I've got some business to take care of on the 30th

Translated by Townsocks



And my birthday is comming up too... if I get on her good side on her birthday, she would definatly return it to me on mine!
What if me and Tenma went to celebrate her birthday just the two of us?

2

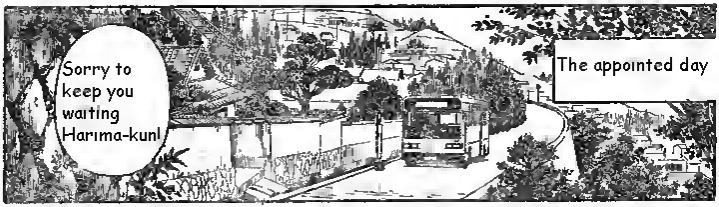


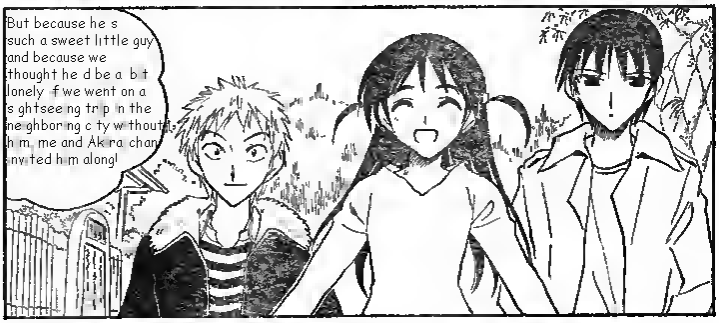
Lets see... what should I invite her to do after that?
Hey Ani-ki open up!!
*Means big brother
I took the whole 30000yen I had in my bike fund for this!!
But as a man, this is what I must do!!
*About $300

First we'll go sightseeing in the neighboring city and I'll get on her good side through my intelligence! We'll end the day with a western meal at "Morino Yagata"!
The price is a bit high but if thats what it takes to make Tenma-chan satasfied then so be it!!

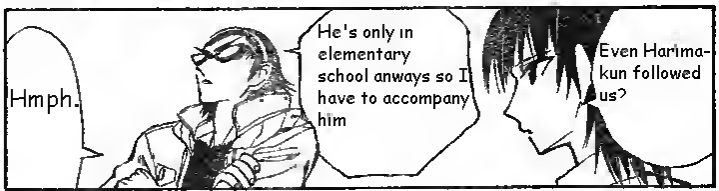
Harima, his birthday is on December 1, 1 day off of Tenma's

Harima Shuuji, 5th year elementary student, more popular than his older brother

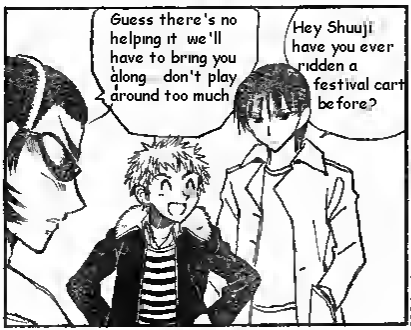




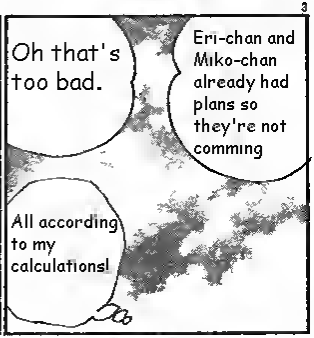
But because he s such a sweet little guy and because we thought he d be a b t lonely if we went on a s ghtseeing trip in the neighboring c ty without h m, me and Akira chan invited him along!



3



Guess there's no helping it we'll have to bring you along don't play around too much
Hey Shuuji have you ever ridden a festival cart before?

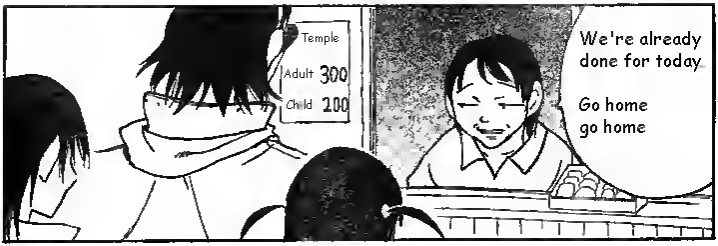


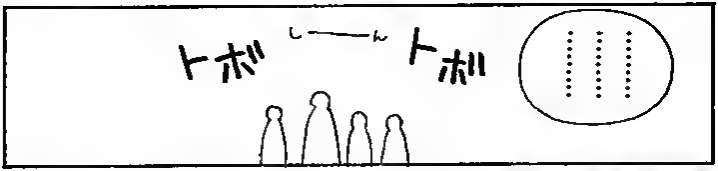
Note In Akira refering to Harima, she means the little brother

They're a bunch of landmarks around here
You should be quiet
Let me show you what Japan has to offer!
Harima-kun do you know a lot about this city?
Hmph. Such a distrusting person you are
Looks like fun right Shuuji-kun?
For example this secret shrine is a landmark
Nii-chan.... you think this is the best Japan has to offer? Is it all downhill from here?
Sh-shut up! The next place will be seriously amazing !!
Eh? Is it over already?
Heh, relax... we'll get to see the landscape soon enough
Ohh! Lets hurry up I want to go see it!!
Off in the distance you can see the ocean and its very pretty
In the backcourt the crimson red leaves are over-flowing
This is the famous Hasegawa temple

By the way, this is the beginning of School Rumble's outing

But, this temple is fiction





Damnit~ these guys are going all out on my social status!!
Yea yea, humans can't change so suddenly too
I guess that's right- he's the kind of guy who goes somewhere but doesn't have it work out
Yea yea,doesn't it kinda feels like a sad guy stayed up all night and planned for this
Maybe he's disappointed that this isn't a date

That kindness is now pain...

That's such a shame
At this rate...
It is going to become worse...!!
Tenma-chan is look looking at me with pity!!
She's looking at....
It's the birthday of the girl I love and I can't make her smile
What kind of celebration is this?!
D-damnit....!!
Do your best Kenji!!
If that's the case then the only thing we can do is go have dinner!!

This restaurant is also fiction

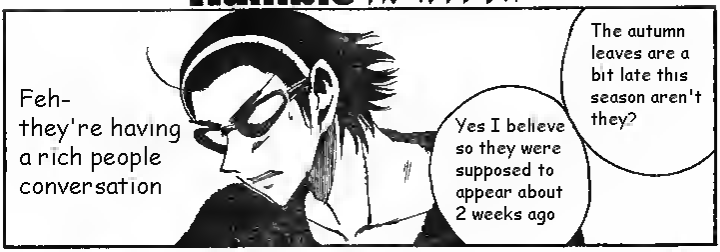
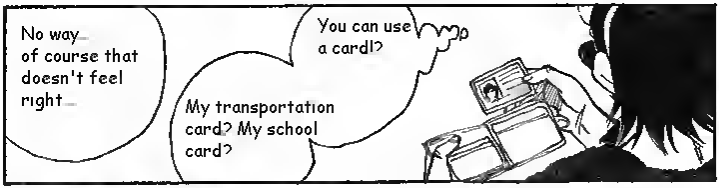
This looks so good!!
I've never had this before!!
So good so good!!
This is baaaad- I've gone way way over my budget!!
I'm not even sure of what we're eating....



Feh- they're having a rich people conversation
Yes I believe so they were supposed to appear about 2 weeks ago
The autumn leaves are a bit late this season aren't they?

Yes, of course
...and will you be paying with a card today?



No way... of course that doesn't feel right...
My transportation card? My school card?
You can use a card!?

For now, I'll stall him with some rich people talk!!

Sir it's about time to pay the bill...

But all he wanted to see was her smile...

Excuse me?

Thanks to your delicious meal, we were able to have a lively conversation
Ojou... why are you here...?
Eh...?

It's Tenma's celebration right? Don't keep her waiting
Oh Tenma! What a coincidence!

First we need to know where how smart Tenma is now
Ok now

Let's see the fulcrum,the bookstore, and the practice?
next is Physics
what are the 3 points of mechanics?
Answer the fulcrum the load and the effort
Ummm the "let's make good meat" Kamakura Shogunate was the year 1129?
Ok then first some History what year was the Kamakura Shogunate established?
Answer Year 1192 the quote s Let s make a good country
Waaaaahhh!! Well it's obvious to me now!!
You are that stupid?
Right at the bottom

She's definatly doing what she does
You... just what is it that you have been studying up until now?
Well yesterday...
I went to the library to study...
...and before I knew it I was sound asleep
After I felt refreshed I started to study Japanese History in my house
Here I come!
By Japanese History I mean watching historic dramas like "The 3 Who Were Slashed"
I get into the mood to study thinking "this time I'm really gonna do it"!
The tea will keep me up!
And before I know it I'm soundly asleep on top of the table
Um.... when was it that I studied again?
You guys know?
6

Because these girls are close friends

You traitor !!
You know we do study when we're not together right_?
Well_well that's because we're always going places like the game center or Mercado!!
We're always always together!!
Noooo! Eri-chan don't abandon me!!
Hmmm_ In other words impossible
We've wasted an hour_
How are we going to study 2 subjects if we only have 1 day left?
History is an uphill battle so let's band together and teach her some Physics
Hey which do you think we should start with Akira?
I've got a feeling that this is going to become an overnight cramming session
Well for now, let's have her memorize some History, afterwards we can go on to Physics
We might fall asleep because Science is kinda tough

Tsukamoto Tenma, a lot... a lot...

The opening of Miko-chans's course

...there's only one option left...
There's a way for Tsukamoto to clearly memorize all of the information!
What method could this be?!
Wh-what?!
Memorize every person, year, and event in terms of the person that you love!!
Yea... but...
...most importantly it does this fast...!

He-hey!! I've never used it!!
Ohh Miko-chan!
Now that's why I didn't want to say it !!
Why are you looking at me like that?
Ohh! Tsukamoto-is finally motivated!!
I'll do my best!!
Eh?
Nice Miko-chan!
Ok! Tonight I'll stay all night!

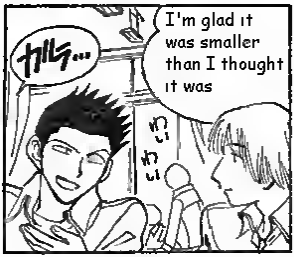
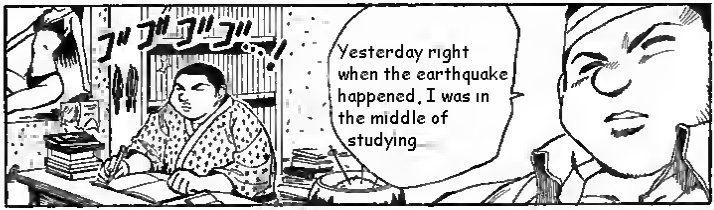
32 "A BETTER TOMORROW"

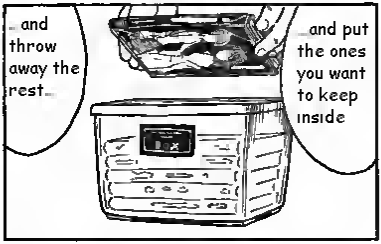


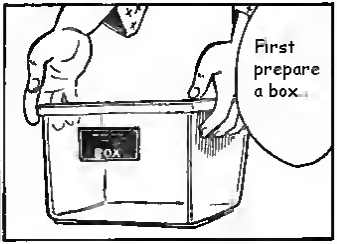


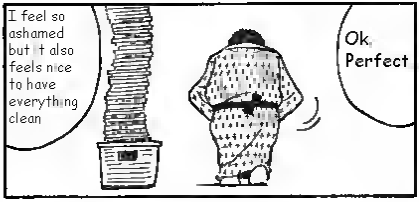
Translated by Townsocks

I don't care what happens to me!! Only these are important!!
ガバッ!!
My first instinct was to guard my reference collection shelf
You... you're amazing...!
...and that's what happened
ドサドサ!!
You so rude! Are you mocking my 500 set collection?
What are you talking about? I just bought 10 dvds this month
It's because you didn't arrange them properly!!
Was it really just for your reference collection?
2
It's easy. I just prepare a box for them. I can put the books I studied in there. Anything that doesn't fit in the box I just throw away
If it's not well arranged then I can come over next Sunday and give you a hand
Oh really... then how do you store all of them?

Gathering the hopes and dreams of men in this box



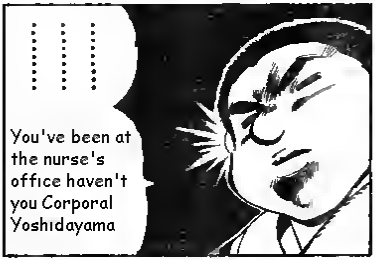


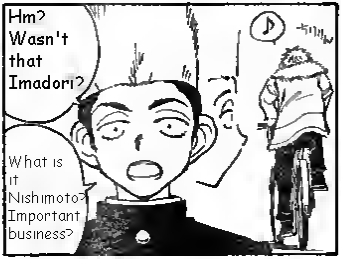


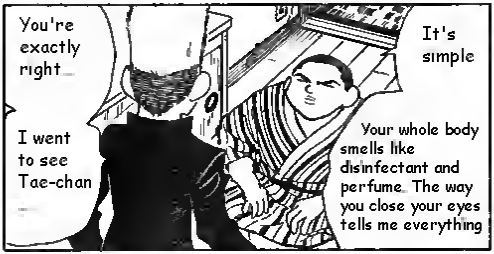
The Nishimoto army, emergency summon

Yo Nishimoto-
What's you call me all of a sudden for?
So in the end you decided to get rid of the huh
Man there s a lot
But I have a date right after this you know
Anyways, definatly don't need these
They were born after 84 weren t they?
Weak! You're weak Imadori!
Look at this!!
4
cmon now, this is boring
Wo-
Wooooooooah!!
Here
Be patient
This one is definatly
I could never forget this shining moment... I couldn't toss it

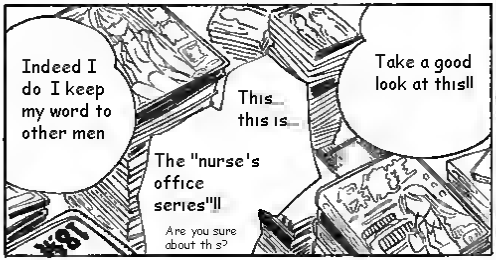
Commander Nishimoto~ salute!!





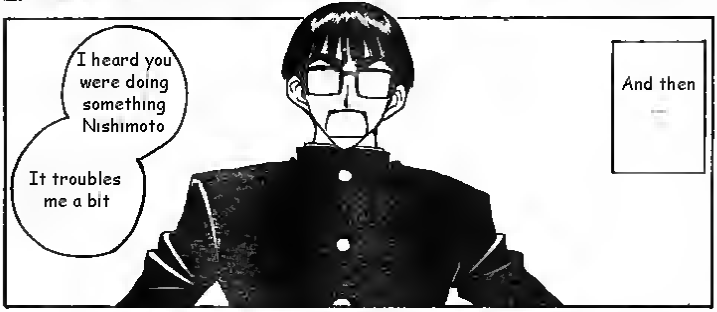


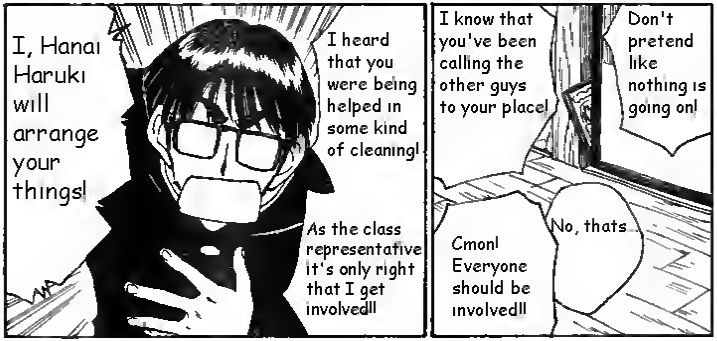
You're exactly right...
I went to see Tae-chan...
It's simple
Your whole body smells like disinfectant and perfume. The way you close your eyes tells me everything



Translated by Townsocks

Each person gets up to 3
Um.. if it's not too much of a hassle could I get all of them?
In this way, the distribution of Nishimoto's collection was going smoothly..





I, Hanai Haruki will arrange your things!
I heard that you were being helped in some kind of cleaning!
As the class representative it's only right that I get involved!!
I know that you've been calling the other guys to your place!
Don't pretend like nothing is going on!
No, thats..
Cmon! Everyone should be involved!!

He ended up comming...

Hey!! Let go!!
Oh god no!! Please give them back!!
レンタル
VIDEO DVD CD
Inexcusable!
I'm confiscating these!!
Let's see what we got here
It's the responsibility of I Hanai Haruki to dispose of this!!
These kinds of things bring nothing but evil to our class!!
What a useless guy!!
For crying out loud
It would've been a big problem if I got into an accident now!!
Whew- that was dangerous !!
Woah!
ﾌﾞﾛﾛﾛｰﾝ!!
I'm taking the right course of action for these filthy things - tomorrow should shine...
No wait! I'm guilty of nothing!
If I were to get caught somehow
